

**Transportation Permit
Special Conditions for
Crossing the San Francisco-Oakland Bay Bridge**

Page 1 of 1

The following special conditions are applicable to all permits authorizing travel across the San Francisco-Oakland Bay Bridge (SFOBB):

General:

- ◆ Use Toll Lane 16 only when travelling from Oakland to San Francisco (entering the SFOBB in the westbound direction).
- ◆ Travel is prohibited on the SFOBB during rainy or foggy weather in addition to the Inclement Weather Restriction in Permit Condition #11.
- ◆ Travel is prohibited on the SFOBB from 0630 to 0900 hours and from 1530 to 1830 hours everyday, unless specifically addressed on the face of the permit or by rider.

Width Greater than 12 feet:

- ◆ Travel is authorized on the SFOBB between 1100 to 1300 hours Monday through Friday, unless specifically addressed on the face of the permit or by rider.

Height Greater than 14 feet:

- ◆ California Highway Patrol (CHP) escort is required when traveling westbound **through** the Yerba Buena Island Tunnel. Permittees must use the three center lanes when passing through.

California Highway Patrol:

- ◆ Phone: (707) 648-4180 Commercial Division
- ◆ May take up to 10 business days to schedule escort
